

Senate Amendment 3130

PAG LIN

1 1 Amend Senate File 344 as follows:
1 2 #1. Page 44, by inserting after line 25 the
1 3 following:
1 4 <Sec. _____. Section 455B.133, subsection 4,
1 5 unnumbered paragraph 1, Code 2003, is amended to read
1 6 as follows:
1 7 Adopt, amend, or repeal emission limitations or
1 8 standards relating to the maximum quantities of air
1 9 contaminants that may be emitted from any air
1 10 contaminant source. The standards or limitations
1 11 adopted under this section shall not exceed the
1 12 standards or limitations promulgated by the
1 13 administrator of the United States environmental
1 14 protection agency or the requirements of the federal
1 15 Clean Air Act as amended through January 1, 1991, or
1 16 air quality standards or limitations promulgated by
1 17 the United States occupational safety and health
1 18 administration. ~~This~~ With the exception of ambient
1 19 air standards, this does not prohibit the commission
1 20 from adopting a standard for a source or class of
1 21 sources for which the United States environmental
1 22 protection agency or the United States occupational
1 23 safety and health administration has not promulgated a
1 24 standard. If the United States environmental
1 25 protection agency has not promulgated ambient air
1 26 quality standards, this section shall not prohibit the
1 27 commission from adopting an ambient air standard if
1 28 the commission utilizes established federal Clean Air
1 29 Act methodologies under the national ambient air
1 30 quality standards program. The methodology shall
1 31 include an economic impact study to ascertain costs
1 32 associated with compliance with any proposed
1 33 standards. This also does not prohibit the commission
1 34 from adopting an emission standard or limitation for
1 35 infectious medical waste treatment or disposal
1 36 facilities which exceeds the standards or limitations
1 37 promulgated by the administrator of the United States
1 38 environmental protection agency or the requirements of
1 39 the federal Clean Air Act as amended through January
1 40 1, 1991. The commission shall not adopt an emission
1 41 standard or limitation for infectious medical waste
1 42 treatment or disposal facilities prior to January 1,
1 43 1995, which exceeds the standards or limitations
1 44 promulgated by the administrator of the United States
1 45 environmental protection agency or the requirements of
1 46 the federal Clean Air Act, as amended through January
1 47 1, 1991, for a hospital, or a group of hospitals,
1 48 licensed under chapter 135B which has been operating
1 49 an infectious medical waste treatment or disposal
1 50 facility prior to January 1, 1991.>
2 1 #2. By renumbering as necessary.
